The Foster Family Friendly Business Program

Saves you money and supports the local economy at the same time by providing discounts to resource families at participating businesses.

How it works:

Present your enclosed Foster Family Friendly discount card at participating businesses to qualify for the established discount. There is no cost to you to participate.

Please don't lend your card to others; it is only for use by resource families in San Luis Obispo County. Each card has a number associated with a specific resource family, so please don't lend your card to other resource parents. If your card is lost or stolen, please contact us at (805)-788-2808. Unfortunately, there is no guarantee that a replacement card will be provided.

San Luis Department of Social Services is not affiliated with, nor does it specifically endorse, any of these businesses who participate in our Foster Family Friendly Business Program. Participation in the Foster Family Friendly Business Program is completely voluntary and Foster/Adoptive Families should exercise their own due diligence when deciding which business to utilize.
