### **OFFICE OF EDUCATION- SLO:**

## CPR & 1ST AID

All RFA Homes are required to either become certified, or show proof they hold a current certification for Infant, Child, and Adult CPR & 1st Aid. This is mandated by the State CDSS, and at no cost to families who are working toward becoming an RFA home in San Luis Obispo County.

Not all household members are required to have CPR/1st Aid certification. Only primary caregivers are required to be certified. A primary caregiver is typically the individual or individuals who provide a majority of the care to the child/children, who fall into the role of "parent." Primary caregivers do NOT include; Other adults in the home (family or non-family members) or respite care providers. Only mandated attendees are eligible to receive CPR/1st Aid training.

*Please direct any questions to your RFA Social Worker.*

Childcare is provided at no cost with registration at least 48 hours prior to class.

## RESOURCE FAMILY TRAINING (RFT)

Resource Family Training is mandated by the State of California Department of Social Services (CDSS) for anyone wanting to provide a home for foster youth in San Luis Obispo County.

Each session includes 3 classes, for a total of 21 hours of classroom participation. Beginning in April, the classes will be 5-sessions. There are also weekend/make-up sessions if needed. Should you have any questions or concerns about attending RFT class, please contact your RFA Social Worker.

Not all household members are required to attend RFT. Only primary caregivers are required to attend RFT, which is typically the individual or individuals who provide a majority of the care to the child/children, who fall into the role of "parent."

Due to limited space in class, we are not able to provide RFT training for anyone who is not a primary caregiver.

Spanish speaking instructors are available for our RFT and CPR/1st Aid classes. Please call 805-781-1705 to request bilingual services.

Childcare and food is provided at no cost at RFT, and requires registration at least 48 hours prior to class.
